Player meeples (×4)

Cut on solid outline. Fold tabs under base and tape/glue. Optional: print on cardstock or laminate.

Spare set (same colours) — cut a second row if needed:

**d6 net (print · cut · fold · tape)**

1. Cut around the outer cross shape.
2. Score fold lines lightly with a ruler.
3. Fold into a cube; tape edges.
4. Or use any classroom die.

No die? Draw 1–6 sticks / use a phone randomizer / rock-paper-scissors for 1–3 twice.

Speak aloud to move

How to play — 6 steps

1 Set up. Tape the two board pages. Shuffle Wh-cards face down. Each player picks a meeple and places it on START.

2 Roll. On your turn, roll the die and move that many spaces along the harbour route.

3 Draw & speak. Draw the top Wh-card. Read the big question word, then ask/answer the stem *aloud*.

4 Stay or go back. A clear answer (word, phrase, or sentence) → stay. No try / off-topic → move back 1 space. Teacher is the friendly referee.

5 Chance & Speak spaces. Land on ? or **SPEAK** → follow the board prompt before your next roll (see box).

6 Win. First meeple to reach FINISH (exact roll not required) wins. Cheer, reshuffle, play again!

Chance / Speak prompts — Ask any Wh-question to the player on your left · Answer a card with a partner (10 seconds) · Captain's call: one full Wh-question about the harbour · Market chat: name 3 things you can buy — finish in English.

First to the **East Terminal** wins — speak your way across the harbour!
